

Policy for Clean and Green Campus

Raj Narain College consistently works towards maintaining a clean and green campus to promote environment consciousness and sustainability. It constitutes one of the best practices of the college. In order to achieve its objectives, the college regularly conducts environment awareness programmes and environment friendly activities. At Raj Narain College, students and staff are encouraged to adopt green initiatives:

1. Systematic execution of green environment initiatives for maintenance of biodiversity and pollution free environment within the campus
2. The green cover of the campus is well nurtured by the faculties, students and office staff
3. 'Van Mahotsav', an annual Tree Plantation Programme, is celebrated every year during the first week of July in collaboration with the Forest Department, Hajipur.
4. World Environment Day, World Bio-Diversity Day, Earth Day is commemorated by planting trees, and by organizing Seminar/ Webinars to make students sensitive towards environmental issues.
5. Planting of trees is an integral part of College Foundation Day, the Independence Day and the Republic Day Celebrations.
6. The Department of Botany maintains a Botanical Garden where some rare herbs and plants are maintained.
7. Dignitaries gracing college functions are felicitated with saplings in small pots
8. Campus cleanliness drives and making the Campus plastic-free have been made an integral part of 'Continuous Internal Assessment' under Swachhha Bharat Abhiyan and Environment Sustainability in AECC-1, Semester 1 of Postgraduate Programmes.
9. NCC Cadets and NSS volunteers make significant contributions, making the Campus a Green one and 'plastic free'.
10. Demarcating 'No plastic zone' and strict abidance to the same.
11. Preparation of organic manures and vermicomposting of organic wastes is done by NSS. These fertilizers are regularly used for the garden soil enrichment.
12. Use of Renewable Energy: Keeping in mind the benefits of solar energy to minimize the consumption of electricity as well as to reduce pollution, Raj Narain College has installed 10 KV Solar Panels. The said plant is located on the rooftop of the Arts Block and on the Administrative Block.
13. Use of LED lights in all the buildings contributes to lesser power consumption .

INTERNAL QUALITY ASSURANCE CELL (IQAC)

14. Effective digital communication through college website and WhatsApp Groups for all functional Classes have drastically reduced consumption of papers.

15. The Green Audit Team in the Department of Botany regularly conducts 'Green Audit of the Campus for systematic identification, quantification, recording, reporting and analysis of components of environmental diversity of the college Campus.

16. Water Conservation: 'Ground Water Recharge System' (05) and 'Rain Water Harvesting' system are there on the Campus to replenish the ground water.

In some parts of the Campus garden, the collected rain water is used for gardening.

17. Dustbins are placed at every corner and all are directed towards proper use.

18. Two soak-pits are functional on the Campus to recycle sewage.

19. Maintaining protocols for the disposal of all different categories of solid wastes such as biodegradable, non-biodegradable, e-wastes and hazardous wastes are done.

Care is taken to ensure that hazardous wastes of Chemistry Department do not mix with the general waste of college.

21. Students, teaching and non-teaching staff members are advised to use recyclable materials for storing their food, water etc., to reduce the wastes.

23. Efforts for Carbon neutrality: The greenery in the College campus effectively neutralizes the harmful carbon dioxide. Utmost care is taken to maintain the lush green environment.
