Question:

The A, B, C Co Limited is in voluntary liquidation. The Capital of the Company consists of 200 preference shares of Rs 100 each fully paid up, 4000 equity shares of Rs 10 each fully paid up, and 500 equity shares of Rs 10 each (Rs 8 per share paid up). The preference share having priority over equity shares as to repayment of capital.

The unsecured creditors amount to Rs 12000 and expenses of liquidation including the liquidator's remunerations to Rs 1000. The unencumbered Assets realised Rs 75500 and 5000 are received as surplus on behalf of secured creditors. A call on part by paid equity share is made and realised with the exception of the amount due on 100 shares which can not be recovered.

Prepare liquidator's statement account.
